Hwa Rang Do® and Children

(MISSION STATEMENT OF THE WORLD HWA RANG DO® ASSOCIATION)

HWA RANG DO®:

A legacy of Loyalty, Relentlessly seeking Truth, Empowering Lives, Serving Humanity

We know that children are our future. They are able to learn every kind of subject quickly and effectively. They like to explore everything and love having and doing beautiful things. Most of the times they think about martial arts as a funny exercise and when they meet a very good master they can make their martial practice an essential mean for their growth.

There are many very young Hwa Rang Do® students in our Association. Hwa Rang Do® teaching is based on a strong discipline but in spite of that Hwa Rang Do® classes are always so funny for children. By Hwa Rang Do®, they can learn to conquer their targets by themselves. Mainly for the belt ranks. Nobody can test for them, they have to pass the belt tests by themselves, without help. The Hwa Rang Do® belt tests are very hard for every age and every rank: there's a written, oral and practical evaluation. Age is not important for Hwa Rang Do®, we start to study the Art at 2 years old like Do Joo Nim (Dr. Joo Bang Lee 10° dan) and His son Do Sa Nim (Taejoon Lee 8° dan) did. Everybody are able to get important results. The most important thing is to do the best we can.

The main point of Hwa Rang Do® for children is the idea to make sacrifices to reach beautiful targets. That's also the key to success of Hwa Rang Do® with very young martial students.
